Spiritual Gifts Inventory

What it is? A list on which you can indicate your interests and talents. We hope it will serve as an *opportunity* for you to contemplate the gifts God has given. The Spiritual Gift Inventory is a tool to help you consider who you are and the wonderful interests and talents God has given to you.

What is it NOT? It's not a homework assignment or a checklist. It's not a list of needs that the church has which must be met. Rather, as part of your own unique spiritual journey, it is a way of helping you think about what fulfills and interests you. We hope it will lead you to recognize your gifts, and help you decide how those gifts can be used to serve God and others.

How will it be used? The results will be in a data base in the church office. Your name, interests, and contact information will be passed along to leaders of our congregation who work with a variety of areas of ministry. As ministries are formed, grow and expand, you may be called upon to share your gifts. In this manner, we hope that it will assist Trinity's ministries in matching our mission with the gifts of Trinity's members.

Thank you for your participation.

Please return this form to the church office or place in the offering plate upon completion. Thank you for sharing yourself for the sake of God's ministry.

WE ARE AN OFFERING

***All that we have,
All that we are,
All that we hope to be,
We give to you, O God.***
